Applicants Signature:

Please read the Terms and Conditions below

1. This service will be carried out within 72 hours upon receipt of this application and the accompanied payment.
2. Payment for this service **MUST** be received in full on application – no service will be provided without payment.
3. Should the applicant require that the application fee be invoiced, a valid debtors account must be held. Alternatively the applicant can make an application to Waitomo District Council to obtain an account (subject to normal credit criteria and Council approval which will take up to ten working days to process – please note that Council have the right to decline an application should it not meet the Council requirements)
4. The Water Services Engineer **MUST** be informed on all applications.

Office Use Only

Upon receipt, this application must be scanned and emailed to the Water Service Engineer direct:
lesc@waitomo.govt.nz
