ANDREW'S PATCH

Incidents in the past month:

On the 25th of July, a 24 foot Hains Hunter boat got a flat battery. It was in 26 metres of water and 2 kilometers from Mokau. Taranaki Coast Guard were contacted and they dispatched their vessel to them due to weather forecasts. When they arrived, they got their boat started again and shadowed them back to New Plymouth.

On the 19th of August, a single vehicle crash occurred just north of the Awakino Gorge. The vehicle was travelling too fast for the corner and conditions, crossed the centre line and ploughed into the bank on the opposite side of the road. No injuries.

Other things that may be of interest:

North Taranaki Neighborhood support are attempting to raise some money and purchase mobile cameras to be used in and around public places in the area. I.e. Waikawau, Tongaporutu, Awakino, Ahititi, and Mokau etc. The idea being, that should an incident occur, these cameras can be used retrospectively to investigate. If you are willing to donate some money towards this it would be greatly appreciated and benefits everyone. Either contact myself or North Taranaki Neighborhood Support. Further to that, if you have concerns about the use of the cameras then don't hesitate to call me or come and see me, I am happy to discuss.

I have put up a secure drop box at the front of the Police Station. Should you wish to drop any firearms applications off or thank you letters or something along those lines, then this is a good place to do it. You should find in your mailbox at some point an information leaflet regarding North Taranaki Neighborhood Support and on the reverse an entry form If you do chose to join, then this would be a perfect opportunity to use the drop box, at the front of the Mokau Police Station.

Cheers
Andrew
