REASONS

1. This is an application by Taharoa Social Sports & Welfare Club (2009) Inc for a special licence for three finctions; Khelli Merehaehae's 21st Birthday, Matariki Night and the Social Night to be held at Taharoa Social Sports and Welfare Club.
2. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
3. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
4. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
5. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?

- b) Is the applicant suitable?
- c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
- d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
- e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
- f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
- g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
- h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
- i) Does the application comply with the Waitomo District Local Alcohol Policy?

6. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should the special licence be granted?

7. Each event will be hosting up to 100 people. The licensing committee is satisfied that the proposed trading hours are reasonable.
8. The licensing committee is satisfied that Taharoa Social Sports & Welfare Club (2009) Inc is a suitable applicant to hold a special licence. The club currently holds a club licence and an off-licence and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. The issue of a special licence for this event will allow the applicant to sell alcohol to non-members of the club attending the event. A Duty Manager will be present on the premises for the duration of each event to ensure compliance with the Act. The licensing committee is satisfied that proposed hours are reasonable.
9. The application has been assessed by the Licensing Inspector to be compliant with the Local Alcohol Policy.
10. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence.
11. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. The use of taxi services will be promoted as a safe option for transport home from the event.

Conclusion

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.

13. Therefore, the application for a special licence is granted.
