(j) A range of low-alcohol and non-alcoholic drinks must be available at all times when the premises is open for the sale of alcohol.

(k) Sober drivers must be made available to transport patrons from the premises and this assistance must be displayed in a notice to patrons.

## **REASONS**

1. This is an application by Te Kuiti Trapshooters Club Inc for a special licence for an Anzac Day “World Famous Duckshooters Shoot” to be held at 115 Lees Block Road, Te Kuiti. The application was filed more than 20 working days prior to the event as required by section 137.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the Waitomo District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
  - b) Is the applicant suitable?
  - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
  - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
  - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
  - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
  - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
  - i) Does the application comply with the Waitomo District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

### **Should the special licence be granted?**

6. Approximately 250 people are expected to attend this event, which is a warmup for the duck shooting season. This is approximately 70 more people than the expected attendance at the 2022 Anzac day event. The programme includes field and swamp simulation, and novices are welcome. Food and refreshments

start when the competition has finished.

7. The licensing committee is satisfied that the proposed hours are reasonable. While the licensed
8. The licensing committee is satisfied that Te Kuiti Trapshooters Club Inc is a suitable applicant to hold a special licence.
9. The application complies with the Waitomo District Local Alcohol Policy.
10. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
11. The licensing committee is satisfied that the design and layout of the premises is suitable.
12. Te Kuiti Trapshooters Club Inc does not propose to have a certificated duty manager at this event. However, the licensing committee is satisfied that an exemption may be granted from the requirement to appoint a duty manager (s 213). The event has grown and is expected to attract up to 250 people. This would normally be seen as too large for a manager's certificate exemption. However, after considering all relevant factors the licensing committee considers that Te Kuiti Trapshooters Club Inc is capable of managing it without a certificated duty manager. Neil Pratt will take responsibility for the management of each event and ensure that it complies with the Act. The Licensing Inspector reports that Neil Pratt is a respected member of the community and has been the Club President for almost 20 years. He has successfully organised and managed this event for the past five years. While the licensed hours applied for are 2pm to 7pm, the club states that alcohol will only be sold at the completion of the event which is expected to be between 3pm and 6pm, therefore the duration of the event will be relatively short
13. The licensing committee is satisfied that the applicant will provide sufficient food (including a complimentary BBQ), low-alcohol and non-alcoholic refreshments. Free water will also be provided. Sober drivers will be promoted as a safe option for transport home from the event.

### **Conclusion**

14. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
15. Therefore, the application for a special licence is granted.
