## REASONS

1. This is an application by Piripiri School Board of Trustees for a special licence for the Marokopa Fishing Competition to be held at Coast Community Recreational Hall and Sports Centre. The application was filed more than 20 working days prior to the event as required by section 137.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the Waitomo District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
  - b) Is the applicant suitable?
  - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
  - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
  - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
  - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
  - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
  - i) Does the application comply with the Waitomo District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

### **Should the special licence be granted?**

6. The Marokopa Fishing Competition is a fundraising event for Piripiri School. Up to 100 people of all ages are expected to attend the fishing competition. The licensing committee is satisfied that Piripiri School Board of Trustees is a suitable applicant to hold a special licence and that the proposed hours are reasonable. The application complies with the Waitomo District Local Alcohol Policy.
7. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The main hall and verandah is designated as a supervised area (no persons under 18 can be in the area unless with their parent or legal guardian) and the area behind the bar is restricted (no persons under 18 can be in the area). This is appropriate for this type of event.
8. Piripiri School Board of Trustees does not propose to have a certificated duty manager at this event. However, the licensing committee is satisfied that an exemption may be granted from the requirement to appoint a duty manager (s 213). The function is relatively small, the licensed area is small and easy to monitor, and alcohol is a minor part of the function. Piripiri School Board of Trustees is capable of managing it without a certificated duty manager. Mr Colin McQuilkin and Ms Kathryn Morrison will take responsibility for the management of the event and ensure that it complies with the Act. The Licensing Inspector reports that Mr McQuilkin is a farmer and has operated the bar at the associated premises for at least 19 previous events held under a special licence. Ms Morrison also works on farms in the area, is a member of the school board of trustees, is the Treasurer for the Coast Community Recreational Hall and Sports Centre Incorporated, and has worked behind the bar for special licence events since 2017. In addition, members of the Piripiri School Board of Trustees will be present to monitor patrons consumption of alcohol.
9. The licensing committee is satisfied that the applicant will provide sufficient food, low-alcohol and non-alcoholic refreshments. Free water will also be provided. It is a requirement of this licence that sober drivers will be promoted as a safe option for transport home from the event. This is important given the relative isolation of the venue and lack of public transport.

### **Conclusion**

10. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
11. Therefore, the application for a special licence is granted.
