The following may also be included as additional charges:

- a) If it is necessary for the services of a consultant to be engaged by the Council (including their attendance at any hearing or meeting) then the consultant's fees will be charged in full to the applicant as an additional charge;
- b) If any legal fees are incurred by the Council in relation to legal advice obtained for any particular application, including any fees incurred if Council's solicitor is required to be present at any hearing, mediations or meetings, these fees will be charged in full to the applicant as an additional charge;
- c) If any Commissioner hearing fees and associated costs are incurred in considering and determining any particular application, these fees will be charged in full to the applicant as an additional charge.

Purpose

The purpose of each fixed charge and any additional charge is to recover the actual and reasonable costs incurred by the Council in receiving and processing applications and in issuing decisions and monitoring performance of conditions.

Charge out rates for council officers and mileage

Charge out rates for Council officers are set out in this schedule and:

- a) Are fixed charges;
- b) If reference is made in the schedule to actual staff time, it will be charged in accordance with the relevant hourly charge-out rates;
- c) The charge-out rates for Council officers and for mileage will apply to all matters listed in the Schedule so that:
 - if the fixed charge which has been paid in advance is greater by more than \$20.00 than the actual and reasonable costs incurred by the Council relating to that application, a refund will be given when those costs are finally assessed; and
 - if the actual and reasonable costs incurred by the Council relating to that application are inadequate to enable the Council to recover its actual and reasonable costs then additional charges calculated for staff time at the same rate will be payable (as well as any other items of additional charge which may have been incurred)

Additional fixed fees

At any time after the receipt of an application and before a decision has been made the Council may fix a fee pursuant to Section 36(1) of the RMA which is in excess of the fixed charge set out in this schedule.

In that event:

- a) The Council may require that no further action will be taken in connection with the application until that fixed fee is paid in accordance with Section 36(7) of the RMA; and
- b) May also, pursuant to Section 36(3) of the RMA make additional charges.

Remission of fees

Staff with delegated authority may decide to reduce any charges following the criteria of Section 36(4)(b) of the RMA.
