

### 5 PUBLIC TOILETS AT MOKAU AND WAITOMO VILLAGE

Council is proposing to upgrade the Mokau toilets to more appropriately meet user needs in the 2018/19 financial year (first year of the Long Term Plan).

Council is proposing to invest in public toilet facility at Waitomo Village in 2019/20. However, this will be subject to land ownership being vested to Council for such a facility.

The estimated cost of the two facilities will require an investment of approximately \$320,000 each. Refer page 14.

Which option do you choose?

#### OPTION 1 (PREFERRED OPTION)

Council should apply for external funding from the Tourism Infrastructure Fund (TIF) to cover 50% of the cost of these facilities.

If funding is obtained then proceed with the upgrade at Mokau in 2018/19 and new toilets at Waitomo Village in 2019/20.

OPTION 1

#### OPTION 2:

Council should not proceed with providing the new and upgraded facilities even if the external funding is obtained.

OPTION 2

MY COMMENT:

Horizontal lines for writing comments under Option 1 and 2.

### 6 FUNDING WATER AND SEWERAGE SERVICES

- Council is of the view that the entire District benefits from adequate and environmentally sound Water and Wastewater services and
- these services should cost the same in each community. Refer pages 15-16.

Which option do you choose?

#### OPTION 1 (PREFERRED OPTION)

Council should implement the 'same service same rate' proposal phased in over four years (for water) and include 10% district benefit rate for all rating units across the district.

Under this option the water and sewerage assistance subsidies currently paid by all rating units in the district would be replaced with the district benefit allocation and the Piopio Wider Benefit Rating Area (PWBRA) sewerage rate would be removed.

OPTION 1

#### OPTION 2:

Council should stay with the current funding system which is - you pay for water and sewerage based on where you live and all rating units in the district pay an assistance rate for these services in smaller communities and PWBRA Sewerage rate remains.

OPTION 2

MY COMMENT:

Horizontal lines for writing comments under Option 1 and 2.
