REASONS

1. This is an application by Shahnee Johnston for a special licence for the Aria 2 Day Trail Ride to be held at St Helen's Domain. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law?

What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?

5. Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should the special licence be granted?

6. The event is a fundraiser for Friends of Aria School and up to 380 people are expected to attend this family event. Entry to the event is by pre-registration and the number of riders is limited.
7. The licensing committee is satisfied that Shahnee Johnston is a suitable applicant to hold a special licence because she held the special licence for the same event in 2020, with no reports of any breaches of the Act or conditions of the licence. Ms Johnston is a teacher at Aria School and is also the Secretary/Manager of the Aria Cosmopolitan Club Incorporated. There are two certificated Duty Managers who are responsible for ensuring compliance with the Act. The proposed trading hours are reasonable. The application complies with the Waitomo District Local Alcohol Policy.
8. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
9. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. Assistance with transport home from the premises will be provided.

Conclusion

10. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol. Therefore, the application for a special licence is granted.
